Subject Re: Morning news

Thank you for your note. We are always looking for new ways to better serve our viewers, and we appreciate your feedback.

We have not completely eliminated our "Watercooler" segments. They still come up from time to time, just not as often. Also, we are happy that you like our set modifications, particularly our new Weather Center.

Input from viewers like you is how we are going to continue "Building A Station Where The News Comes First."

Thank you for your thoughts and for informing us of how we can better serve our viewers, and thanks for watching News 8 WMTW.

MESSAGE:

I had stopped watching the Channel 8 morning news for awhile after being annoyed with the "water cooler" segments. I had written earlier to the station letting you know my opinions. The segments felt false or stilted between the news persons and made them seem silly and unprofessional. It made it uncomfortable to watch. I was happy to see the news today and see those segments are gone. The set looks updated as well (great look) and the news and weather staff seems more natural in their jobs.

Keep up the good work. I appreciate the opportunity to give you my opinions and also appreciate the feedback I receive from the station staff. Thanks again.

Auburn, ME 04210-0008

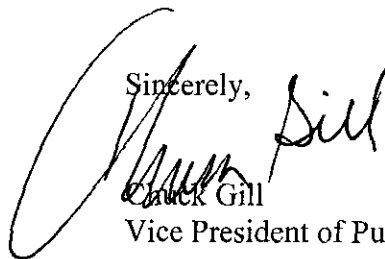

Dear Mr. Jensen:

Please accept this acknowledgment with my thanks for your donation to the Silent Auction at the *14th Annual CMMC Fall Golf Classic*.

This year's auction, to be held at the Martindale Golf and Country Club on September 13, 2006, will support cancer outreach programs of education and early detection. Educational programs on lifestyle changes such as smoking cessation, good nutrition, and limiting exposure to sunlight can reduce the incidence of cancer disease. Early detection can greatly improve chances of survival for those who have cancer. Cancer screenings include colorectal and skin cancers as well as breast, cervical and prostate cancers. Although these costs are not reimbursable, CMMC provides these free clinics because the hospital is committed to building Central Maine's Healthy Future and improving the quality of life for residents living in the region.

Your continued support of our patient services and programs is most appreciated.

Sincerely,

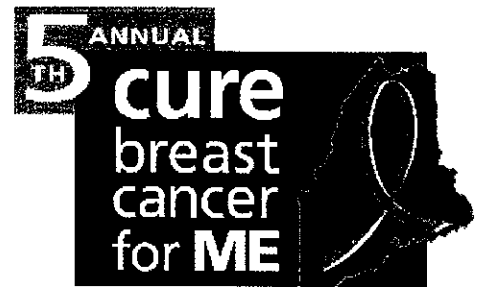

Chuck Gill

Dear Mr. Bauder,

The Maine Cancer Foundation appreciates ABC 8 WMTW's In-kind sponsorship in support of the 5th Annual Cure Breast Cancer for ME Event on October 4th. Your services are a valuable asset to us.

We are pleased to announce that our new auction portion of the event helped increase our funds raised for cancer research, education and patient support for cancers that affect women by 36% over last year. Our net income for this one event was just over \$83,000!

!

These events would not be a success without the backing of our generous sponsors. With your help we have become a significant source of funding for women's cancer research and patient advocacy programs.

Thank you for your continued support!

Sincerely,

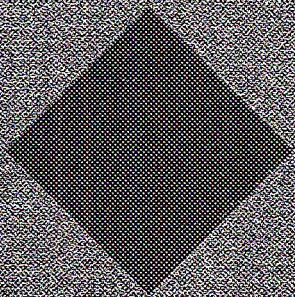

Joanne Jordan

477 Congress Street
Portland, ME 4101

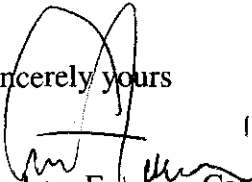

Dear ,

I wish to personally thank you for volunteering at The Salvation Army Christmas Kettles this past Christmas season. You were able to raise through your efforts \$233.28 towards the on going ministry and programs of The Salvation Army in the Greater Portland area.

It is a privilege to have so many volunteers helping us at this time of year. 79 groups and individuals 'rang the bells' this season giving 1332 volunteers hours raising a total of \$140,000!

Congratulations for a job well done! We do hope that you will be a part of our Kettle season for 2006.

Thank you and God Bless You

Sincerely yours

Andrew Ferreira, Captain
Portland Citadel Corps

CITY OF PORTLAND

Portland Police Department
Michael J. Chitwood
Chief of Police

*A Nationally Accredited
Department of Excellence*

December 5, 2005

Ken Bauder, General Manager
WMTW TV
477 Congress Street
Portland, ME 04101

Dear Mr. Bauder:

I am writing to recognize the efforts of News Anchor Jeff Peterson.

During the past year or so, I have called Jeff on several occasions and asked him to report on police training courses that I thought might be of public interest. In every case, Jeff has been receptive to my requests and eager to find ways to come up with stories. Even more noteworthy, however, has been the quality of Jeff's productions.

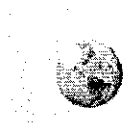

Although we have been very pleased with all of Jeff's stories, I'd like to mention one in particular. In early November, we hosted a Rape Aggression Defense (RAD) Instructor Program. The program trained police officers to teach women in the community how to protect themselves from physical attacks. Jeff's story on this aired about two weeks ago. Since the story aired, the number of phone calls from women interested in taking the course has spiked considerably. I attribute this directly to Jeff's work.

As a side note, I would like to also mention Jeff's cameraman, Steve (I apologize – I don't know his last name). Whenever they come, Steve is quite personable and adds ideas for the stories as well.

Both Jeff and Steve represent WMTW well. I will certainly continue to call on Jeff and also recommend him to other people I know.

Sincerely,

Jon Goodman
Training Sergeant

Thank you for your thoughts regarding our new website.

The flash promo that plays when the site launches has proven to be a valuable tool in attracting viewers to the television station. We make every effort to not have the spots be too intrusive (ie. the promo will only play the first time a visitor visits the site- and then only after several hours has elapsed will it play again.)

We are constantly working to improve our website and will take your thoughts into how we can better improve wmtw.com in the future.

Sincerely,

David J. Butta

Portland ME 04101

Dear Dave,

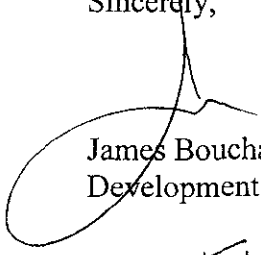

Thank you! You and your team helped the TD Banknorth "Strike Out Cancer in Kids" Program make our 2005 goal of \$300,000. Enclosed is the latest scorecard with our final totals and copies for your team. Your hard work and dedication has brought this program to a new level.

Your contribution to the Maine Children's Cancer Program is a distinguished one. All of the money you raise directly helps the children and families of Maine and New Hampshire battling childhood cancer. We are incredibly lucky to have the sponsorship of TD Banknorth, the Portland Sea Dogs and WMTW ABC 8 who generously fund all expenses tied to the TD Banknorth "Strike Out Cancer in Kids" Program, allowing every cent you raise to directly benefit our children and families.

It is the work of outstanding volunteers like you and your team members that allow us to take the best possible care of our children. We truly could not do this without you and the help you provide.

We will contact you in December to schedule a meeting to confirm your participation in our program and set goals for our exciting 2006 season.

Sincerely,

James Bouchard, CFRE
Development Director

Thank you
for your leadership

Kristina Foley
Development Program Assistant

Thank you!
